YUANYI SHOE MAKING MACHINE

远益鞋机

The image shows the YE-309 Video Examining Nails Machine, a white industrial device with a vertical stand. At the top is a monitor displaying a dark screen. Below the monitor is a brass-colored cylindrical component. The machine is mounted on a white base. Two inset images show close-up views of shoe soles: the left one shows a textured pattern with a small dark spot, and the right one shows a pattern with several circular holes and a yellow highlight.
